

ABOUT HANLEY CENTER

Hanley Center is one of the country's leading substance abuse treatment facilities. Since 1986, the treatment programs offered by Hanley Center have helped thousands of individuals and families struggling with addiction find their way from hopelessness to hope. This world-class treatment center offers age-specific and gender-responsive programs to ensure that each patient's unique and individual needs, and that of their families, are met. Along with its primary residential treatment programs for men, women and older adults, Hanley Center offers intensive outpatient and adolescent outpatient programs, and its renowned prevention programs for patients, families and the community.

From detox and medical stabilization to individualized treatment and continuing care, the staff at Hanley Center ensures that patients leave equipped with the tools needed to continue on their journey of recovery.

**ADDICTION PROFESSIONALS TRAINING INSTITUTE
AT HANLEY CENTER**

THANK YOU

WE URGE YOU TO REGISTER NOW.

for choosing the Addiction Professionals Training Institute at Hanley Center. It is our goal to provide a quality educational experience to current and future treatment professionals. We offer APT weekend courses for individuals seeking credentials from the Florida Certification Board. However, the courses also are open to those who wish to gain CEUs by attending one weekend session only. For those pursuing CAP certification, the program is divided into Level I and Level II hours. Level I courses provide 350 hours of Practice Dimensions and Transdisciplinary Foundations required for non-licensed participants. Level II courses meet the 145 hours of specific education in the two (2) Transdisciplinary Foundations for licensed or license-eligible participants. Certificates are furnished after each class.

Classes are held on Fridays, from 1 - 8 p.m. and Saturdays from, 9 a.m. to 5 p.m. at the Hanley Resource Center, 933 45th Street in West Palm Beach. Fees are \$120 for pre-registered and pre-paid applicants or \$135 for those non-registered at the door. Full time students with proper identification will receive a 25% discount. Five or more individuals from a single billing entity also are eligible for a special discount.

Among the faculty are nationally renowned experts in the field of addiction treatment including Terence Gorski, William L. White, Dr. Carmine Pecoraro, Dr. Aldo Morales and Dr. Mark Ruiz.
